Subject: Potential File Closure, Dave Kimmerle, Cottonwood #4 Mine,
S/037/111, San Juan County, Utah

Dear Mr. Kimmerle:

For the past several weeks, I have been trying to contact you to further discuss your permit fees and the status of the Cottonwood #4 Mine. Since I have not been able to reach you, the Division has decided to take the following action instead of issuing a notice of violation. If we have not received your permit fee by November 1, 2004, we will close your Notice of Intention to Commence Small Mining Operations. If you wish to extend your notice, please submit the fee before that date.

Please let me know if you have concerns about this action. You can reach me by telephone at 801-538-5261, by electronic mail at paulbaker@utah.gov, or at the above address.

Sincerely,

A handwritten signature in black ink, appearing to read "P B Baker".
